Summary

Motivated Software Engineering graduate with hands-on experience in MERN stack, Java, DevOps, and machine learning. Proficient in full-stack application development, algorithm design, system architecture, and network security. Passionate about leveraging technology to solve complex problems and deliver innovative, scalable solutions.

Experience

- Experience

Intern

AICTE Edunet -remote
Artificial Intelligence with Green Technology
Implemented a chatbot using NLTK and Streamlit with machine learning.

Intern

AICTE Fortinet Cloud Associate - Virtual Intrenship
Developed Fortinet security solutions and gained expertise in networking, firewalls, and threat management.

Intern

AICTE Zscaler Cloud Associate - Virtual Intrenship
Focused on zero-trust security and hands-on experience with Zscaler solutions.

Education

B.Tech in Computer Science and Engineering

Sasi Institute of Technology & Engineering
CGPA: 8.26

Diploma in Electronics and Communication Engineering

Kakinada Institutes of Engineering & Technology
Percentage: 80.2%

SSC

ZPP High School - Sankhavaram
CGPA: 9.7

Projects

Instant-Groupchat

Developed a secure web app for team collaboration using Socket.IO for real-time messaging with JWT authentication.

Technologies: React.js, Node.js, Express.js, MongoDB, JWT

🔗 GitHub Link

Techno-Skill

Built a MERN stack project featuring user authentication, real-time functionality, and various utilities like Weather Update, Event Alerts, Text to Speech, Chatbot, and Games.

Technologies: React.js, Express.js, MongoDB, Node.js

Certifications & Skills

Certifications

- 🌟 Full-Stack Web Developer - PantechSolutions
- 🌟 Microsoft Azure Fundamentals - Learn.microsoft
- 🌟 MongoDB - Infosys Spring Board
- 🌟 Machine Learning - NPTEL (Silver)
- 🌟 Python (basic) - CodeChef

Skills

- 🔗 **Programming:** Java, Python, C
- 🔗 **AI/ML:** Machine Learning, AI, NLTK
- 🔗 **DevOps:** Git, GitHub, CI/CD
- 🔗 **Frontend:** HTML, CSS, JavaScript, React.js, Bootstrap
- 🔗 **Backend:** Node.js, Express.js, FastAPI
- 🔗 **Databases:** SQL, MongoDB

Achievements

Competitive Coding 🏆 CodeChef - Profile 🔗
